Dear Auxiliary members:

The VFW Auxiliary of North Carolina wants to provide assistance to our members, their families, veterans, and others. We have had some generous donations and contributions so we would like to help those with needs. We know there are many needs and we want to help all we can. I have appointed a Disaster Committee to help decide how the assistance we provide can be best distributed because we know we cannot help everyone with needs.

Please know the Auxiliary considers our members and their families as part of our Auxiliary family and we would like to help.

We have said many prayers over the last few weeks and will continue to keep these families in our thoughts and prayers. We wish you a speedy recovery from these hardships.

Assistance will be in a check from the Auxiliary.  
The form attached is so we know how to reach those that we assist  
Please fill out the form and return to the address above.

Loyally,
