March 2024

Brothers and Sisters,

What a successful Council Meeting we had! Members truly enjoyed the round robin program training session. We had set a goal for Special Project and have exceeded that goal. However, our work is not finished, we have increased that goal to \$30,000 +. Membership has hit a stale mate, I am requesting all Auxiliaries and Districts to contact all 331 lapsed members, don't allow them to fall off the hay wagon. All Presidents, Secretaries and Treasurers have access to the unpaid rosters in MALTA; help us achieve this goal by calling or texting those who haven't paid. Please continue CultivETing the future for our Veterans; the more members we have the LOUDER our voice is on Capitol hill!

REMINDERS:

- **National President Carla Martinez** will be visiting North Carolina from 15 to 17 March 2024. We are inviting both Auxiliary and VFW Members to participate. Hotel reservations and itinerary can be found in the Department Mail. I look forward to seeing everyone in a few short days!
- **Membership** – Our Department needs 168 members to be 100%. We can ACCOMPLISH this goal. Each Auxiliary should meet their previous years total plus 1 new member.
- **Member of the Year** – Please consider who your Auxiliary would like to put forth for Member of the Year. Applications are on the Department Website and must be received by the Chairman by the end of **March**. Ginger is on the lookout for those candidates!
- **Reporting** – April is approaching fast and I know all of you have put in the work. Please enter your reports; if you have questions contact our Department Chairman. We would love to see each of you at 100% reporting. Chairman will be contacting any Auxiliary who hasn't reported. Do NOT wait until 14 April to enter those reports!
- **Of the Year Applications** - Please see applications for contact information on the department website.
 - President, and District President** of the year are due to Ginger Amos.
 - Treasurer** of the Year applications are due to Department Treasurer Sandra Johnson Leu.
 - Chaplain** of the Year applications are due to Department Chaplain Lin Moore.

Faithfully Serving Veterans,
Connie Holt, President

May your pockets be heavy
And your Heart be LIGHT.
May good luck pursue you
Each Day and Night.

Clarification for use of Relief Fund Money

Frequently asked questions (FAQs)

*** When disbursing Relief Fund money for Items 3 and 4, it must have a direct benefit to veterans and/or their families.**

- 3.) Hospital work for all veterans, members of the Armed Forces, Auxiliary members and their family members.*

An example of what could and could not be taken from the relief fund for #3 hospital: if you take cupcakes to a nursing home, and only 10% of the residents are veterans, then only 10% of the money to buy or make the cupcakes can come from the Relief Fund. If you are planting flowers on the grounds of the VA, this should **not** come from the Relief Fund, but rather the General Fund. If you are buying flowers for the VA for veterans to plant in a gardening program, then that could come from the Relief Fund.

- 4.) Veterans & Family Support work for all veterans, members of the Armed Forces, Auxiliary members and their family members.*

An example of what could and could not be taken from the relief fund for #4 Veterans & Family Support: if you have a member who loses their house and belongs in a fire, you could use the relief fund. If a member has lost their job and needs help paying their dues this year, you could use your relief fund. If your post needs improvements, this is not to be taken from the Relief Fund. Post improvements might feel like a direct benefit to Veterans but it is not.

Did you know the VFW Foundation has grants to assist with Post improvements?

- 8.) To foster true patriotism through historical and educations programs.” Therefore, you may donate money to the Voice of Democracy or other Scholarship Programs. This was added by the VFW several years ago and the Auxiliary followed suit.

Remember the purpose of the Relief Fund - to provide relief to needy or disabled veterans or members of the Armed Forces and their dependents, and the surviving spouses and orphans of deceased veterans. What did you tell people when they donated to the relief fund/poppy drives?

Mailing Preference Request Form

There are several options to control the number of mailings you receive. Please choose only one option below and fill out the bottom portion of this form.

- 1. I want to continue to receive **all regular mailings**.
Regular mailings include gifts throughout the year.
- 2. I want to receive a **reduced mail schedule** which will include about 10-12 mailings per year, and will include gifts.
- 3. I want to receive **the Quarterly Gift and the VFW Annual Newsletter**, which will include the VFW Calendar, Christmas Cards, Greeting Cards and Labels.
- 4. I want to receive the **VFW Quarterly Newsletter only**.
This mailing will not include any gifts.

FOR IMMEDIATE RELEASE

Texas VFW Foundation Responds to Panhandle Wildfires

Texas VFW Foundation offers financial assistance to affected veterans and asks for public's help.

AUSTIN, TX, February 29, 2024 – The Texas Panhandle is currently experiencing the largest wildfire in Texas history with over one million acres consumed by fire and is less than 3% contained. The Texas VFW Foundation stands in solidarity with those impacted by these wildfires and offers support during this difficult time. We are extending more than just our thoughts and prayers.

The Texas VFW Foundation offers disaster relief and other programs to help Texas veterans in need. Disasters create such loss and suffering. We are committed to making sure Texas veterans have every resource available to them. The programs offered by the Texas VFW Foundation were developed by combat veterans and others to be able to respond with speed and empathy to address the most urgent needs: food, shelter, and security. However, we cannot do this alone.

The Disaster Assistance Program is a financial assistance grant for qualifying Texas veterans affected by a natural or manmade disaster. Awardees can expect up to \$500 per veteran household. This grant is a one-time grant and can be used for needs of the veteran during the disaster, such as replenishing food stores, hotel stays, vehicle fuel, and/or other expenses incurred during and immediately after the disaster.

In addition to the Disaster Assistance Program, qualifying applicants can apply for the Veterans' Assistance Program. This grant, funded in part by the Fund for Veterans' Assistance, can assist up to \$2,500 per veteran household for basic living needs such as rent/mortgage, utilities, vehicle payment, and/or auto insurance.

“The Texas VFW and the Texas VFW Foundation have been there for Texas veterans through the Bastrop fires, Hurricanes Harvey and Katrina, and the West fertilizer plant explosion,” stated Beth West, Executive Director. “Each disaster brings different needs, yet they are similar. Displacement and loss occur each time. The Disaster Assistance grant is designed to assist with those immediate needs first and the Veterans' Assistance grant is to help pay the bills during and following the disaster. We can only assist when we have sufficient funds to do so. If you are not affected by these wildfires, please ‘pass the ammo’ and help those veterans who are.”

Donations may be made online or mailed in. To donate online, please visit <https://txvfw.org/texas-vfw-foundation/>. Click on the “Donate” button. You will be able to designate the Disaster Program there. To donate by mail, please make the check payable to “Texas VFW Foundation” and mail to PO Box 14468, Austin, TX 78761-4468.

To apply online, please visit <https://texasvfwfoundation.smapply.org/>. The applicant will need to create a login using the “Register” button. For more information or assistance, please email foundation@texasvfw.org or call 512-291-6850.

March 2024

An old man was doing his daily walk along the beach one morning, when he spotted a young boy crouched by the water, scooping something up from the sand and throwing it into the sea.

The beach was normally empty at this time of day, and so the old man stopped to watch for a while.

He noticed that the boy kept on shuffling a little further down the beach, then repeating this same action again and again - stopping, scooping, throwing, moving.

"What are you doing there, boy?" the old man asked, walking closer.

"I'm saving these starfish that are stranded" replied the boy, "if they stay on the beach they will dry out and die, so I'm putting them back into the ocean so they can live."

The old man was silent for a few seconds.

"Young man," he said, "on this stretch of the beach alone, there must be more than one hundred stranded starfish. Around the next corner, there must be at least one thousand more. This goes on for miles and miles and miles - I've done this walk every day for 10 years, and it's always the same. There must be millions of stranded starfish! I hate to say it, but you'll never make a difference."

The boy replied "well I just made a difference for that one", and continued with his work.

How Often Do You Make a Small Difference?

If everything you did had to have a huge, immediate impact before you gave it a little of your time, then you'd end up doing very little with your life. And sometimes, the little things we do can add up and turn into big things - they make ripples that spread further than we can see.

Those starfish that the young boy saved may have gone on to produce thousands more.

And just imagine if the man who stood idly by had saved one starfish each time he had walked that stretch of beach - he'd have saved 365,002 by now (depending on when the leap years fell!).

A Message from the Department Treasurer
March 2024
Vfwauxnc.org

Brothers and Sisters,

- In April you will begin electing your delegates to each of the Conventions: District, Department and National. The Department Delegate fees were increased to \$7 per delegate, plus \$7 for the President at last year's Department Convention. Department Secretary, Tracy Armstrong, will be including these forms in the April mail, but you may also find them on the Department website. According to the National Bylaws, Section 303, page 34-B all Auxiliaries are required to send in the required delegate fees regardless of the number of Delegates that will be present at the Department Convention in June. Per our Department Standing rules, each Auxiliary will have one delegate per every 10 members or fraction thereof. So, if your Auxiliary has 34 members, you will have 4 delegates, 4 alternates, plus your President. It is recommended to have your Auxiliary President be listed as an alternate delegate in the event there are no other members of the Auxiliary are present at the Convention. This way the President may register as a delegate and the Auxiliary will be entitled to more votes than just the single President vote. This form is due no later than 30 May.
- Additionally, the 31 March Audits for the Auxiliary must be submitted prior to the Convention as they are due by 31 May. If the Auxiliary is in arrears for an audit, the Auxiliary will not be permitted to register and vote. Since District audits are due within 30 days of the meeting, the date of the District convention will determine the due date and if the District President will be able to register as a District President. So, please get your audits completed and sent in on time.
- I need to remind everyone again to make sure the applications are complete before sending them to the Department for processing. This includes making sure your Auxiliary number, city and state are filled in at the top of the application. So many applications come in without this information. And if your check does not have your Auxiliary number on it, I do not know which Auxiliary the member is joining. This is part of your responsibility. Also, credit card applications need to have a date by the signature of the credit card holder. National will not process the application without a date. Be sure to check the Bylaws for acceptable campaign medals or ribbons *and* location of service. If you have any doubts about the validity, you should always check with the Post quartermaster to verify the information provided. You can be assured that if I am reminding you of this again, it means I received applications again this month still missing this information. So, I ask you to please check the applications carefully for all required information before submitting them for processing.
- Please do not hold dues or applications. We are so close to making our 100%. Contact those annual members who have not paid their dues for this year one more time and see if there is a reason they haven't paid. If there is a health or financial reason and they have been a loyal member for several years, perhaps the Auxiliary may consider voting to pay the Department and National dues for the member. It will show the member you appreciate their years of service to the Auxiliary and that they haven't been "just a number" to you.

As always, if I can be of assistance, please call or email. I will be happy to help in any way I can.

Veterans and Family Support

March 2024

Greetings Sisters and Brothers, as we transition into the month of March it is crucial to recognize the significant events tied to this month that require our auxiliary's assistance in supporting our valued Veterans and their families. With the arrival of warmer weather and longer days, people are more active in the community, taking leisurely walks and admiring the blooming flowers. It is essential to acknowledge key dates such as the Navy Reserve Birthday on March 3, Canine Veterans Day on March 13, Medal of Honor Day on March 25 and Vietnam Veterans Day on March 29. Let us take this opportunity to show our gratitude to Vietnam veterans for their selfless service by treating them to a meal and honoring them with the respect they truly deserve, with the simple words of Welcome Home.

March 29, National Vietnam War Veterans Day

On March 29, 2012, President Barack Obama proclaimed March 29, 2012, as Vietnam Veterans Day. The proclamation called “upon all Americans to observe this day with appropriate programs, ceremonies, and activities that commemorate the 50-year anniversary of the Vietnam War.”

On December 26, 2016, the Vietnam Veterans Day Coalition of States Council presented a letter to President Elect Donald Trump and Congressional leadership outlining the history and timeline of cause to establish March 29 as Vietnam War Veterans Day and requesting that it be one of the first legislations passed and signed into law during the 115 Congress.

On March 28, 2017, President Trump signed the Vietnam War Veterans Recognition Act of 2017. This act officially recognizes March 29 as National Vietnam War Veterans Day. The Act also includes the day among those days on which the US flag should especially be displayed.

March 29 was chosen as National Vietnam War Veterans Day because on March 29, 1973, Military Assistance Command, Vietnam (MACV) was disbanded, and the last U.S. combat troops departed the Republic of Vietnam. The last unit was elements of MACV’s Infantry Security Force (Special Guard), special couriers.

“Never again will one generation of Veterans abandon another”
is the founding principal of the Vietnam Veterans of America.

What can we do for our Vietnam Veterans?

- * Honor and respect them as we do all other Veterans and Service Members.
- * Send a thank you card with an American Flag on it to your local Vietnam Veterans of America chapter.
- * Drop off some goodies to a homebound or disabled Vietnam Veteran, local nursing home, VA facility or Veterans outreach center.
- * Tell them, “Welcome home and thank you for your service.” This simple statement goes a long way!

Common Items Missed In Outreach Reporting

Material Utilization -This should say **NO** (you should not be providing any donations or money, **ONLY YOUR TIME** and **SERVICE**. Its about making their Project a success.)

Partner with another Organization – This should **Always say YES**. (It's the core of the program.)

Voting of the Auxiliary- Should **Always say YES**. (Record in your minutes.)

Organization Auxiliary worked with – You should always fill this out. I Need the actual name.)

Details – What do they do? What did you do to help them make their event successful.

Name of submitter – Put your name and Email address or phone number, if more information is needed. I don't want to remove your report without getting information and possibly helping you place the report in another program.

Remember if it can be reported in another program that is where you need to report the event.

VFW Auxiliary Post 1142 joined with Samaritan's Kitchen of Wilkes in a outreach project today. We helped pack boxes of food for a food giveaway. Also worked on breaking down cases of food items into individual servings for the school backpack program.

I was so excited to see this in our NC Dept. Historian/ Media page, that I had to share it again. There is nothing like helping in your community. Thank you for all that you are doing for your community and our Veterans.

It was wonderful to see everyone at the Winter C of A in Greensboro, NC. I really enjoyed speaking in small groups with everyone. It gave me a chance to get to know you a little better and understand what you need from me. I was very happy to have the opportunity to answer your questions. I hope you left with a better understanding of the Auxiliary Outreach Program.

Department President's Official Visit

The Auxiliaries will be capturing photos and videos of the Department President's visit as well as events that take place in your Auxiliaries throughout the year. This is what I need:

- A minimum of five (5) photos of the Department President during her visit to your District/Auxiliary.
- Submit photos of events, fundraisers, meetings, and ceremonies that take place in your District/Auxiliary.
- Clear (not blurry!) photos that tell the story. High resolution is preferable.
- Post your stories to Dept of NC Historian Facebook page or send your photos to Historian & Chairman Barbara Beard, 198 Oakridge Dr, Raeford, NC 28376.

These stories and pictures will be compiled to create President Connie Holt's Memory Book. This is your opportunity to brag about your District/Auxiliary. Make sure it's something you are proud of!

Tip of the Month

For the best resolution and quality photos, save your photos to a thumb drive. You can mail the thumb drive to the same address above. I need all thumb drives by May 31, 2024.

So the next time you get a chance to make a small difference, don't think of the big picture and just do it - after all, it might not make a difference to you, but to somebody else, it might.

Please remember to send me the name of anyone who needs a "Get Well," "Thinking of You," or Sympathy card. Also, please send me the name of your Auxiliary Chaplain, including address, phone number, and email.

We must Band Together with cooperation for our Veterans and CuliVETe the Future of Veterans!

Loyally,

Lin

*The Safety Plan app is here! This is a repeat to make sure that the Veterans try to use it.

Safety Plan is a new app that helps Veterans create a personalized step-by-step action plan to keep them safe during a crisis. It is highly customizable and provides access to coping tools, self-assessment measures, and crisis support resources. The Safety Plan app was developed by the National Center for PTSD Mobile Mental Health program with input from the Office and Mental Health and Suicide Prevention. The app can be recommended to any Veteran who is at-risk for suicide. The goal of this app is provide Veterans with options to access their Safety Plan in a format that works for them.

You can download the app in the App Store at <https://tinyurl.com/5436bbd8> or in Google Play at <https://tinyurl.com/4x78tjns>

The VA is in need of Belvita Cookies for the coffee Cart. This cart serves our Veterans waiting for their outpatient appointments. If you are able to assist, just remember we are bound to expiration dates, please check the dates before delivering. If your organization is looking for a way to assist our Veterans, please consider this need.

Change to mask use! At this time, masks are now recommended upon entering patients' rooms in all acute care units (ICUs and floors) and while providing direct care in Day Surgery/PACU. Masks continue to remain required for Veteran care, in Veteran rooms/exam rooms and when within 6 feet of Veterans in the following areas:

Dialysis - Chemotherapy/Oncology Clinic - Emergency Department/Urgent Care - Community Living Center (CLC) – We will continue to assess our safety measures and will keep Veterans and employees informed of any future changes. Thank you for your continued diligence in helping us keep everyone healthy.

Stinger, our *Mental Health Facility Dog*, helped **Voluntary Service** as we made the rounds to visit our Veterans in the Community Living Center. Thanks to all organizations and individuals who made this Christmas special.

A huge THANK YOU! to all our dollar donors and service organizations. We couldn't do what we do, without you!

.....

The Western North Carolina VA Health Care System is committed to enhancing the personal and interpersonal safety of all who enter our facilities. Recognizing inherent risks such as *intimate partner violence; stalking; sexual violence; harassment and human trafficking*, there are now standard interpersonal safety signs displayed in our facility restrooms where they can be viewed privately and safely.

“BANDING TOGETHER FOR OUR VETERANS”

National President Carla Martinez’s theme!

LET’S FIND A POT OF GOLD (BENEFITS) FOR OUR VETERANS!

I hope you all enjoyed the very fast paced Program Trainings at the COA! 12 trainings in 3 hours, now that was a mission. If you were there or missed the training, and have questions about the program I am here for you!

2024 ELECTION SEASON IS HERE! Early Voting in NC ends March 2nd. The March Primary election day is March 5th so if you haven’t voted yet, **please VOTE on Election Day** at your precinct. Have a voice in *WHO WILL BE ON THE BALLOT* for the **General Election Day, November 5, 2024**. Go to <https://www.ncsbe.gov/> and click “Voter Search” for your registration info, where to vote and sample ballots. The invasion at the Border has become a major issue with voters and a NATIONAL SECURITY THREAT!

Important update about Camp Lejeune Justice Act lawsuit from Bergmann & Moore (VFW endorsed):

There’s still time to take part in the Camp Lejeune Justice Act lawsuit. Administrative claims must be filed by Aug. 10, 2024. Bergmann & Moore, the VFW trusted law firm, is standing by to help you make some sense of who should file and how to start the process. Some questions you may have: For what damages might I or my spouse or family be compensated? What documents do I need to file a Camp Lejeune Water Contamination lawsuit? How much is this going to cost me? Annita Best, a retired Marine and spokesperson for Bergmann & Moore, is ready to help you find answers to your questions. Annita’s number is (301) 290-3148 or you can start the process now by calling 1-800-898-3148 and speaking with an intake specialist. Be sure to mention you are a member of VFW or VFWA.

LAST SESSION, three critical bills passed the House of Representatives: The Elizabeth Dole Home Care Act of 2023 (H.R. 542), the HOME Act of 2023 (H.R. 3848), and the COPE Act (H.R. 3581) bill. If the Senate agrees to pass the VFW-backed legislation, Congress has an opportunity to provide indispensable support for our Nation’s veterans and their family caregivers. Many, many more Veteran related bills have passed the House and STILL SITTING in the Senate!

Thank you for those that were at the C of A in February! From that session we filled in the squares for Strengthening the Auxiliaries – 30 Ways to Recruit, Retain and Mentor Members!

Here are some Ideas!

1. Wear Auxiliary or VFW shirts, pins, hats and speak to people about what it means to be a member.
2. Post on Facebook (What's up pages) and NextDoor (nextdoor.com) that we are looking for new members!
3. Breakfast for members and guests and have applications ready.
4. Make up and carry pouches with membership information, pens and that way its all together and you have what you need to fill out an application on the spot!
5. One post holds a Fried Apple Festival and has a booth.
6. 1st Friday of the month in the town and set up a booth.
7. At Flag retirement ceremonies invite the public and speak to them about membership.
8. 2nd Tuesday have coffee chats and talk about membership
9. At Buddy Poppy tables make sure to have recruitment information.
10. Send Birthday Cards to post members to get them to come to meetings and feel included.
11. When sending out membership dues, send return envelope with postage stamps.
12. Order pamphlets and brochures to have on hand.
13. Hold a Farmers Market and set up an Auxiliary / Post table for information.
14. Partner with the VFW and show them how to help us recruit and vice versa.
15. Trunk or Treat events for school kids and pass out membership information to parents.
16. Wear a 22 a Day pin or Buddy Poppy, people will ask you what it means.
17. Partner with your ROTC (16 yr old +) to join if eligible.
18. Adopt an Armory.
19. Think about memberships as 2 up, 2 down, 1 to the side. Recruitment for 2 up means parent or grandparent. Etc.
20. Volunteer and wear Auxiliary shirt – talk to others about membership!
21. Reporting all activities related to membership (hint: any of these are reportable!!)
22. Patriotic trees placed in local businesses with information on Membership. (Bojangles, Wendy's)
23. Back to School Bash
24. Provide a gift of membership to family or friends.
25. Involve members and invite them to events.
26. Mentor new members
27. Invite others from public to help volunteer at events – ask to join!!
28. Raffle Life Memberships off to those who are very active.
29. Post on HOA Facebook pages.
30. Call and ask members to pay dues by Dec 31, and or convert to lifetime in Malta!
31. Provide directions on Malta, how to convert to lifetime
32. Place a Lifetime conversion amount in the dues reminder to convert.

I hope these give you some great ideas to hold events or things that you can do at your Auxiliaries!

Wilmington, NC 28412

I want to thank everyone who attended the training session at the last Council of Administration meeting in Greensboro. We tried something a little different this time, and I believe it was very successful. The room was set up for 12 small groups of 6-7 participants and the Program Chairmen rotated between the groups to make a presentation and to answer questions. I want to remind everyone who attended this training session to be sure to enter a report on the Department's website: vfwauxnc.org. The next paragraph is pretty much a rerun of last month, but since the reporting deadline is fast approaching, I thought I would leave it in this month's promotion as a reminder.

Reporting your mentoring activities: I was looking at the reporting system, and noticed that there was a few more reports than last month. I'm counting on you to enter a few more! Like I mentioned above, if you were at the last CoA and attended the training session, you can enter a report. I've said it myself, so I understand when you say, "I don't do these things for a pat on the back, or an award." Let me give you a couple of good reasons to report your work. 1) It will help preserve your not-for-profit status. 2) The National Commander in Chief addresses Congress each year and your hours, miles, and dollars spent, combined with those figures from other Auxiliaries across the country speak volumes when presented to your elected representatives. So, make your voice heard when it comes to promoting issues that are important to veterans. In the Department's reporting system, you will start off with a few yes/no questions, and a few simple answer questions like the year, month, Auxiliary Number and District Number. Even if you answer no to some of the questions, don't let that deter you. Go to the section where you have an opportunity to describe your work in detail. One of the questions in the Mentoring for Leadership reporting system is, "Did any member step up to mentor another member?" That one is a Y/N answer. Go to item 9 and give details. If your Auxiliary sponsored a training session, you can report that as mentoring. Be sure to include how many members attended the session, and how many members acted as trainers. You can also include details about what was taught, how much time was spent planning and carrying out the session. Some Auxiliaries have developed a form for members to complete each month describing their work on programs. Some have appointed one person in the Auxiliary to be responsible for entering the information into the Department's reporting system. They say it simplifies things and prevents duplication of entries. Hopefully, you will check out the reporting system and find that it is not so difficult to use. Please report your work!

Here are a few questions for you to ponder . . .

If you are a long-time member, are you providing encouragement and guidance to newer members?

If you are a current officer, are you setting a good example for future officers?

If you are a newer member, are you asking questions?
