BULLETIN BOARD

- ◆ Thinking Thursday for September will not happen. As you know, Thinking Thursday has been on the last Thursday of the month, but for October, November, and December, it will be on the next to the last Thursday of those months because of holidays. Thinking Thursday for October will be on the **THIRD** Thursday, October 23rd with a topic of How to identify an **UHEALTHY** Auxiliary. Tune in to help find a cure. If you have ideas for a Thinking Thursday topic, please submit them to President, Lin Moore at lmoores1@yahoo.com, or to the email address above and I will forward them to Lin.
- ◆ The Tentative Agenda for the upcoming Council of Administration Meeting is included in this message as a separate document.
- ◆ A message requesting cards for members who are hospitalized or otherwise in need of some cheering up is also included as a separate document.
- ◆ For those planning to attend the CoA next month, please remember to bring your phone (one of those smart ones), your tablet, or laptop computer to the training session. We're going to try something new!

NOTE: If you know of a member who would like to receive a card, please email their name, reason for the card (so I know what type to request), and contact information to me for distribution to the Department. If you would like to disclose the death of a member, please submit their obituary and I will share that information as well.

We work hard for our veterans and their families. We should also take time to cheer our members who are hospitalized or experiencing an illness, and we should take time to mourn the loss of a member.
