Chain of Command

As members of the Veterans of Foreign Wars Auxiliary, we are bound by the principles and guidelines set forth in our National Bylaws. One of the most fundamental aspects of our organizational structure is the adherence to the chain of command, which ensures that all issues and concerns are addressed at the most appropriate and effective level.

It is imperative that all members and Auxiliaries first seek resolution of guidance and concerns through their respective Districts and Departments before escalating matters to National Headquarters or National Officers. Our Department Presidents are entrusted with the responsibility to oversee and manage issues within their jurisdictions. They possess the experience, knowledge, and authority to handle concerns efficiently and in accordance with our bylaws, policies, and procedures.

By following this structured approach, we accomplish several key objectives:

1. **Efficiency and Expediency** - Addressing issues at the District and Department levels allows for quicker resolution, as these leaders are familiar with local circumstances and can respond in a timely manner.
2. **Preservation of Organizational Integrity** - Ensuring adherence to the chain of command fosters unity and respect within our organization, reinforcing the effectiveness of our leadership structure.
3. **Reduction of Unnecessary Burdens** - National Headquarters and National Officers handle strategic and overarching matters affecting the entire organization. Resolving issues at the local level minimizes the need for their involvement in matters that can and should be addressed by District and Department leaders.
4. **Empowerment of Leadership** - Trusting and supporting our Department Presidents in their duties strengthens their ability to lead and uphold the values of the VFW Auxiliary.

All members are reminded that bypassing the proper channels disrupts the structure designed to serve our organization effectively. Should a matter remain unresolved after all proper avenues have been exhausted at the District and Department levels, then escalation to National Headquarters may be appropriate. However, the vast majority of concerns can and should be managed by those closest to the issue.

We appreciate your cooperation and commitment to ensuring the integrity and efficiency of our organization. By working together and following the proper channels, we can continue to serve our veterans, their families, and our communities with the excellence that defines the VFW Auxiliary.

Tax Information

See www.irs.gov to access forms & for further information.

Federal Employer Identification Numbers (EIN)

- A Federal Employer Identification Number (EIN) is a nine-digit number assigned by the IRS for filing and reporting purposes.
- An Auxiliary will need to obtain an EIN in order to open a bank account, pay wages, or apply for tax-exempt status.
- Auxiliaries should not use the Department EIN or the VFW Post’s EIN.
- Application for EIN may be made for an EIN by completing and submitting Form SS-4 to the IRS. This may be completed on-line on the IRS website.

W-9 Information

Please note: *W-9 form and instructions can be found in the Treasurer Resources area in MALTA.*

Each organization is required to submit a W-9 form only one time to National Headquarters when it is instituted unless:

- The organization changes EINs.
- The organization gains/loses tax exempt status.

Exemption from Federal Income Tax (Group Exemption)

- Each Auxiliary should qualify for federal tax-exempt status under a provision of Section 501(c) of the Internal Revenue Code. Section 501(c)(19) pertains specifically to war veterans organizations and their auxiliary units.
- A Group Exemption Letter is a determination letter issued to a central organization recognizing the exemption of subordinate organizations on whose behalf the central organization has applied for recognition of exemption. In our case, this would mean a group exemption for each **Department** under which Auxiliaries and Districts will be covered.
- Requests for a copy of the Group Exemption Letter would be made to the Department Treasurer.
- National Headquarters does NOT maintain a Group Exemption.
- More information about Group Exemptions from IRS can be found in Publication Number 4573.
- If your Auxiliary chooses not to participate in the Department's group exemption and does not already have an individual determination letter from the IRS recognizing your organization as tax exempt, you will need to file IRS Form 1024 and Form 8718 with the appropriate fee to be recognized as tax exempt.

*Please note: *The 990-N e-postcard User Guide can be found in the Treasurer Resources area in MALTA.*

Auxiliaries whose gross receipts are normally less than or equal to \$50,000 may be required to electronically submit Form 990-N, also known as the e-Postcard.

- The e-Postcard is due every year by the 15th day of the 5th month after the close of the tax year. For the VFW Auxiliary, the e-Postcard is **due to the IRS by November 15th.**

- The e-Postcard is filed electronically and can be found online at <https://sa.www4.irs.gov/epostcard/>. This is the only way to access the e-Postcard -- there is no paper form.
- To file the e-Postcard, the auxiliary must become a registered user.
- The e-Postcard is easy to complete. All you need is the following information about your Auxiliary:
 1. Employer Identification Number (EIN), also known as a Tax ID Number
 2. Tax year - This will be July 1 to June 30 for all Auxiliaries
 3. Legal name and mailing address of the Auxiliary
 4. Any other names the Auxiliary uses
 5. Name and address of a principal officer -- Usually the Treasurer
 6. Website address (*if the Auxiliary has one*)
 7. Confirmation that the Auxiliary's annual gross receipts are normally \$50,000 or less. Gross receipts are the total amounts the Auxiliary received from all sources during its annual accounting period, without subtracting any costs or expenses. ***Do NOT include any "pass-thru" amounts such as Cancer Aid & Research/Health & Happiness Donations, Cancer Insurance Premiums, etc. where funds are merely collected and sent on without the Auxiliary asserting any right to use the funds or otherwise deriving any benefit from collecting them.
- Auxiliaries whose annual gross receipts are normally more than \$50,000 must file an annual information return Form 990 or Form 990-EZ.
- State filing requirements may differ, therefore, the Auxiliary may still be required to file Form 990, Form 990-EZ, or a state form even though it is not required to file with the IRS.

It is recommended that if you have questions regarding what forms need to be filed to the federal, state or local government, that you contact a local tax advisor.

Form 990-T: Exempt Organization Business Income Tax Return

- Even after obtaining a tax-exempt determination from the IRS, there still may be situations in which Auxiliaries are subject to federal income tax.
- Unrelated business income is the gross income derived from any activity that is regularly carried on and not substantially related to the organization's exempt purpose or function (aside from the organization's need for income or funds or how it uses the profits.)
- While the IRS considers many factors in determining whether the activity is an unrelated trade or business, an important factor is the degree to which the activity unfairly competes with taxable businesses.
- Any tax-exempt organization that has gross income from an unrelated trade or business of \$1,000 or more must file Form 990-T to report the unrelated business

income and to figure the income tax liability. Please refer to IRS Publication 598 - Tax on Unrelated Business Income of Exempt Organizations provide more detailed explanations of the regulations.

- The Internal Revenue Code contains a specific provision exempting bingo proceeds from unrelated business income tax, whereas state and local law permits non-profit organizations to hold such games.

Exemption from State Sales Tax

- Each state has its own laws relating to exemption from sales tax. Please contact your State Revenue Office or your Department Treasurer with any questions regarding sales tax in your state.
- Although a Department or Auxiliary may be exempt from paying state sales tax on purchases, they may still be required to charge sales tax on sales to non- exempt organizations or individuals, and remit the sales tax collected to the state.
- If your Auxiliary has sales, investigate your state's laws regarding charging sales tax and those sales taxes are properly collected and remitted to the state.

Payroll Taxes

If your Auxiliary has any paid employees, you have the obligation to withhold and submit federal, state and local income taxes, and pay social security, Medicare, and unemployment taxes.

The Department Treasurer will then correspond with National Headquarters to see what can be done. Please note that the business day closed at 11:59 PM Central time.

- Q. Our Auxiliary would like to start accepting and processing credit cards on the local level. Is this allowed?
- A. Auxiliaries may accept credit card payments if the Auxiliary votes to do so, bearing in mind that any fees associated with accepting these types of payments would be absorbed by the Auxiliary.
- Q. I am trying to make a gift and the system is requesting a credit card number and using our Auxiliary's ACH account?
- A. You are not in the Treasurer's Duties area of MALTA. You are trying to process a gift as an individual member. You need to click into the Duties area and click the Shortcut "Make a Gift".

Q. I am a member, and I changed my name or my membership card was lost or stolen. Can a new membership card be issued?

A. Yes – a new card will be issued **with payment**. The cost for a replacement annual membership card is \$5 and life membership is \$10.

Q. Our Auxiliary purchased our bond for an incorrect amount. Can anything be done?

A. Maybe. If an error is made in the purchase of the correct bond amount, a Treasurer may increase the bond amount by sending a check for the difference in the new cost of the correct bond amount and the cost previously paid. Send the check to VFW Auxiliary National Headquarters to the attention of the Bond Department. Include a note of what occurred and the amount of the bond that is needed. This must be processed at VFW Auxiliary National Headquarters by November 30. After this date, bond amounts are not allowed to be adjusted.

Q. Are gifts or donations to the VFW Auxiliary tax deductible?

A. No. Even though most VFW Auxiliary organizations are classified as 501(c)19 not for profit organizations, because 90% of our members are NOT actual war veterans (we are the close relatives of the veterans), there is not an allowable deduction for gifts or donations made to the organization.
